Inside India's HR Salary Landscape – 2025–26

The **TeamWork HR Salary Benchmarking Report 2025–26** provides a comprehensive view of how HR compensation is evolving in India. Built on large-scale validated payroll and HR data, this report helps HR leaders, founders, and decision-makers align compensation with market realities, talent maturity, and business scale.

This study reflects the transformation of HR from a support function to a **strategic business enabler**, especially in the age of digital HR, analytics, compliance governance, and Global Capability Centers.

What This Report Covers

Compensation by Experience

Entry to leadership-level HR pay benchmarks with clear inflection points where roles shift from execution to strategy.

HR Function-wise Insights

- Talent Acquisition & Payroll
- Compensation & Benefits
- HR Business Partnering
- HR Analytics & People Science
- Inclusion, Diversity & Culture

Industry & City Premiums

BFSI, Hi-Tech, GCC, Manufacturing, Healthcare, Retail.

About the Data

How TeamWork Builds These Insights

The benchmarking logic is derived from:

- Large-scale payroll & HR data
- Industry-wise compensation structures
- HR role maturity frameworks
- Compliance-aligned payroll analysis

This ensures **realistic, defensible, and enterprise-ready salary benchmarks**, not guesswork.
